DEAR COLLEAGUES AND FRIENDS,

We are delighted to invite you to join us at the **14th Edition** of the **International Conference - Progress in Uro-Oncology**.

The conference is scheduled to take place on **September 27-28, 2024** at Courtyard by Marriott Downtown Hotel, in Cluj-Napoca.

The event aims to promote state-of-the-art minimally invasive surgical techniques, including 3D laparoscopic surgery and robotic surgery.

It also focuses on the latest minimally invasive therapeutic procedures, as well as the management of complications of surgical procedures, which are at the intersection of several specialties such as urology, radiology, radiotherapy, and gynecology.

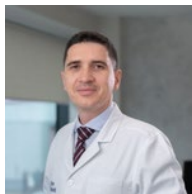

We look forward to seeing you soon!

GUIDELINES

RECOMMENDATIONS FOR SPEAKERS

Presentation documents

Presentations will only be accepted in digital formats. Please submit the presentations at least 3 hours before your lecture, in the allocated conference hall. The presentations shall remain the property of the author and shall not be used without permission.

Technical specifications

- Please bring your presentation on USB stick or external hard disk.
- The power-point versions used must be newer than 2017.
- Save the documents with the extension *.ppt- or *.pps-. Do not use the function – pack&go-. Make sure that all the files with videos included are saved separately on the device.
- Flash animations cannot be projected.
- All the files have to be in the same folder.
- Do not use passwords for folders.
- Please use common fonts: Times New Roman, Calibri, Verdana, Arial.
- If you use Power point, Mac or Keynote please export the presentation as *.ppt- for Windows.

Presentation

- Please arrive a few minutes before the start of the session in which your presentation is scheduled. Inform the moderator of any particular details of the presentation and get to know the technical assistant. Familiarize yourself with the microphone, with the remote projector and with the timer. Strictly follow the moderator's instructions.
- Strictly follow the moderator's instructions.

RECOMMENDATIONS FOR MODERATORS

Dear colleagues,

The Scientific Committee would like to thank you for accepting to moderate one or more sessions of the Conference. You have a very important role in assuring the success of this event. We hope that the following information will help you.

Before your session

- Identify the conference room where the session you will moderate will take place and arrive there a few minutes before the start of the presentations.
- Meet the technical assistant responsible of that room. If you have any problems, please ask for the help of the technical assistant.

During the session

- Remind the audience to put their phones on silent.
- Start the session on time even if the participation is low.
- Do not accept violations of presentation time.

Announcement

- Unauthorized filming and photographing during the scientific sessions is forbidden.
- Announce the changes you receive from the organizers (if there are any).
